**Case No. 3:11-cr-00478-JO-1**

**ORDER GRANTING MOTION TO  
REDUCE SENTENCE**

JONES, Senior District Judge:

This matter is before the Court on the parties' joint motion to reduce sentence pursuant to 18 U.S.C. § 3582(c)(1)(A)(i). Based on the filings to date and the agreement of the parties, and after full consideration of the relevant factors under 18 U.S.C. § 3553(a), the Court finds that extraordinary and compelling reasons warrant a reduction of defendant's sentence to time served effective June 26, 2020, followed by a term of five years' supervised release. The Court concludes that the defendant does not pose a danger to any other person or the community. The U.S. Probation Office has approved a release plan for Mr. Gonzales. The Court adds the following conditions of supervised release: (1) self-quarantine at the approved residence for a period of 14 days; (2) home confinement until January 1, 2023; and (3) the completion of drug treatment and domestic violence treatment as directed by the probation officer. This sentence reduction is consistent with the currently applicable U.S. Sentencing Commission policy statements.

The Court therefore GRANTS the Joint Motion to Reduce Sentence.

IT IS HEREBY ORDERED that Defendant shall be released on Friday, June 26, 2020, for travel to his approved release residence in Oregon. Upon his arrival at the residence, the defendant shall be required to adhere to a 14-day quarantine period at the residence, subject to location monitoring at the discretion of U.S. Probation, unless the U.S Probation Office authorizes interruption of the quarantine for urgent reasons.

IT IS FURTHER ORDERED that the conditions of supervision shall be modified to require home confinement up to January 1, 2023, and the completion of a drug treatment and domestic violence treatment program as approved by the U.S. Probation Office. An amended judgment and commitment order shall be prepared and entered forthwith in accordance with this decision.

Dated this 26th day of June, 2020.
